District

Dr. Tom Goodman, School Superintendent

High school has evolved into the comprehensive secondary school that attempts to provide a broad educational program that meets the needs of today's youth. These needs include: training to prepare them for responsible citizenship, specialized courses to prepare them to earn a living, and classes to prepare them for college.

San Diego City Schools offers a variety of programs that range from the basics in education to specialized training programs. The district's goals include promoting integrated learning experiences and encouraging community participation in the educational experience.

Dedication

Mr. Frank Petrich

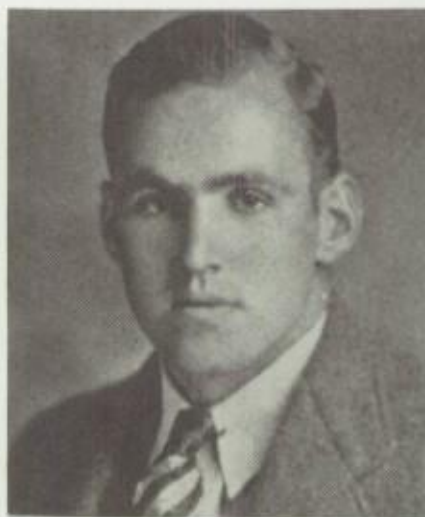

Coach Petrich

San Diego High School was celebrating its fiftieth anniversary when tenth-grader Frank Petrich arrived on the Hill. After his graduation, Mr. Petrich earned B.A. and M.A. degrees from the University of Southern California and returned to his home town to teach. He has been on the staff at San Diego High School for over 40 years as: art teacher, department chairman, J.V. football coach, College Board testing coordinator, friend and mentor to thousands of students, and a leader among his peers.

During these years Mr. Petrich also served his country as an intelligence officer in the United States Navy. He retired in 1975 with the rank of Commander. He was decorated by King Umberto of Italy and has received many citations for his dedication to duty.

By this dedication, the class of 1982 is proud to acknowledge the accomplishments of this dear and gentle man.

Language Arts

Mr. Williams' Interpersonal Communications class

Mr. Bickley's Writer's Workshop

San Diego High has a sound English program which emphasizes the development of reading skills through the study of good literature. Along with the usual regular and advanced classes that most high schools provide, San Diego High School offers a Writer's Workshop, Shakespeare and the Novel (offered two evenings a week), an English Resource room where students receive special, individual help, and an after school tutorial program.

An Interpersonal Communications class is also offered under the Language Arts curriculum. The purpose of this class is to encourage understanding among students and between students and staff, and to encourage students to take a more active role in the school.

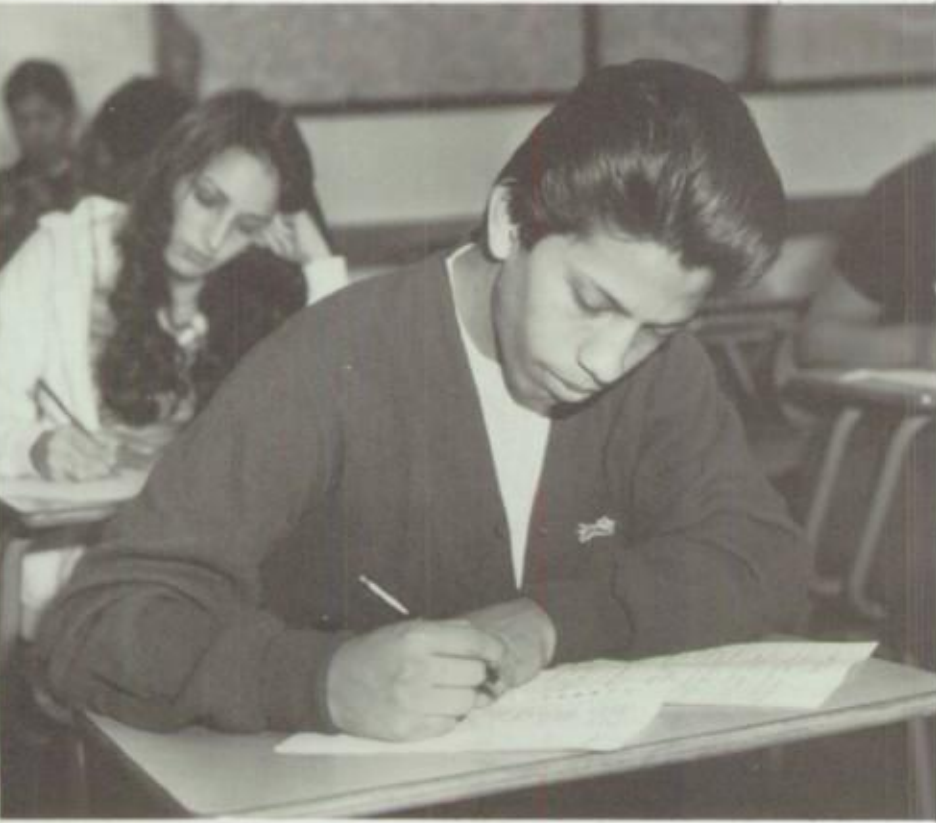

Mr. Bickley's students work in their writing groups.

Mr. Turner's 3rd period Government class prepares for a discussion.

The Social Studies Department at San Diego High School is an integral part both of the school and community. The courses taught reflect the needs of individual students, as well as the educational objectives of the environment. The courses offered include: American Government, United States History, World History, Law for Living, Chicano Studies, bilingual Government and bilingual U.S. History, and Ecology.

Mr. Turner takes part in the class discussion.

MATH AND SCIENCE

HITCHHIKER'S GUIDE TO THE SCIENCE DEPARTMENT

Activities in the Science Department again covered a wide range of topics. This year's highlights included an expedition on the high seas for Mr. Floyd's advanced biology class, the opportunity to mingle with a mummy (not the teacher) in physics, and the daily death-defying experiments in Ms. Todd's chemistry course. Continuing a long tradition, San Diego High School students were well represented in Science Fair competition and a new event, the College Bowl, was entered by our students for the first time.

Other events took groups of science students to an art exhibit about oil drums, a sea lion habitat without sea lions, and a perilous hike through the concrete jungles of San Diego.

Communications and International Studies

The Center provides courses in media production, telecommunication, broadcast journalism, and international trade. Simulated and on-the-job exploratory experiences are provided by the downtown business community. Members of San Diego's Chamber of Commerce and other community organizations serve as consultants to the Center.

Les élèves, Tri, Gail et Tina abides d'élaborer un point de grammaire.

The art program at San Diego High School is general in scope, providing continuing opportunities for creative expression and for the development of appreciative and judgment skills. Students with special interests and abilities in art are encouraged to continue art study in subsequent grades.

One of the popular courses is Art 1-2, which is a basic for general art education, providing a foundation for advanced art courses and a broad survey of the implication of art for each individual. This course is applicable to graduation requirements.

Practical Arts

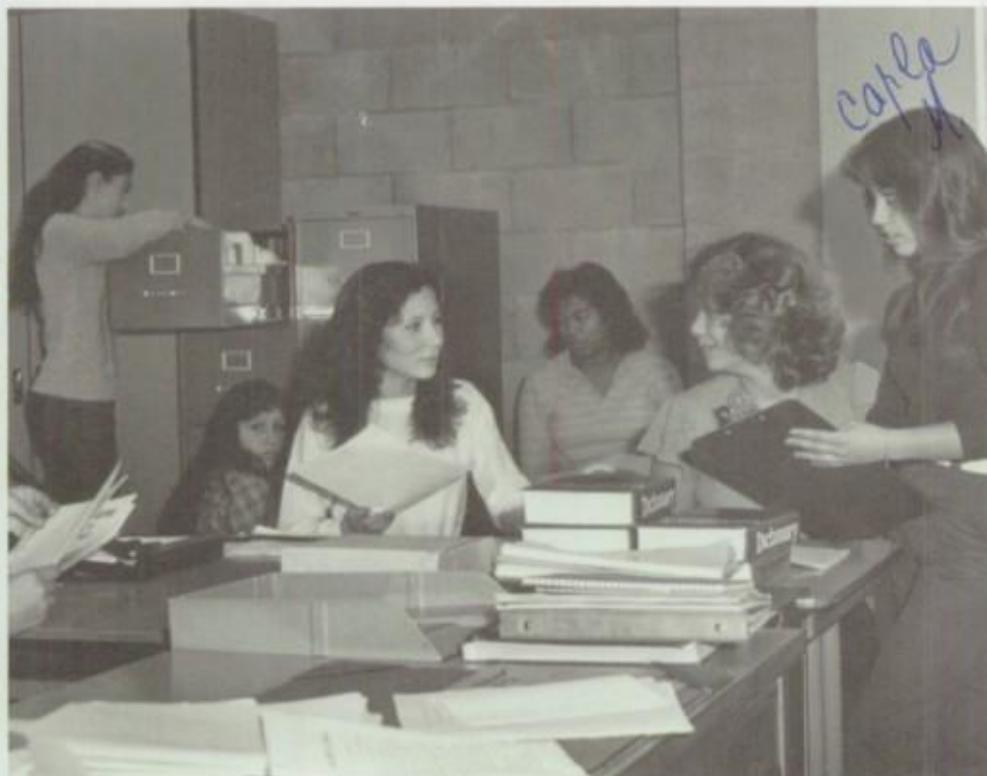

Business

Jesse Torres works on his business skills.

The Consumer and Family Studies Department offers classes and programs that are designed to prepare students for the complex task of day-to-day living.

The Business Department offers a variety of courses. The department recently added International Business Curriculum, which leads into the International Trades R.O.P. Program. Word Processing and Micro Computer Operations are being implemented into all existing Business courses.

Ms. Smith and Mr. Burnett assist students after school.

The Library/Media Center is the heart of San Diego High School. It is an active, thriving center for many activities.

The library personnel are dedicated to helping students and staff with textbook distribution, computer literacy and recreational reading. They assist both students and staff with our two new microcomputers.

The Apple computer comes to San Diego High.

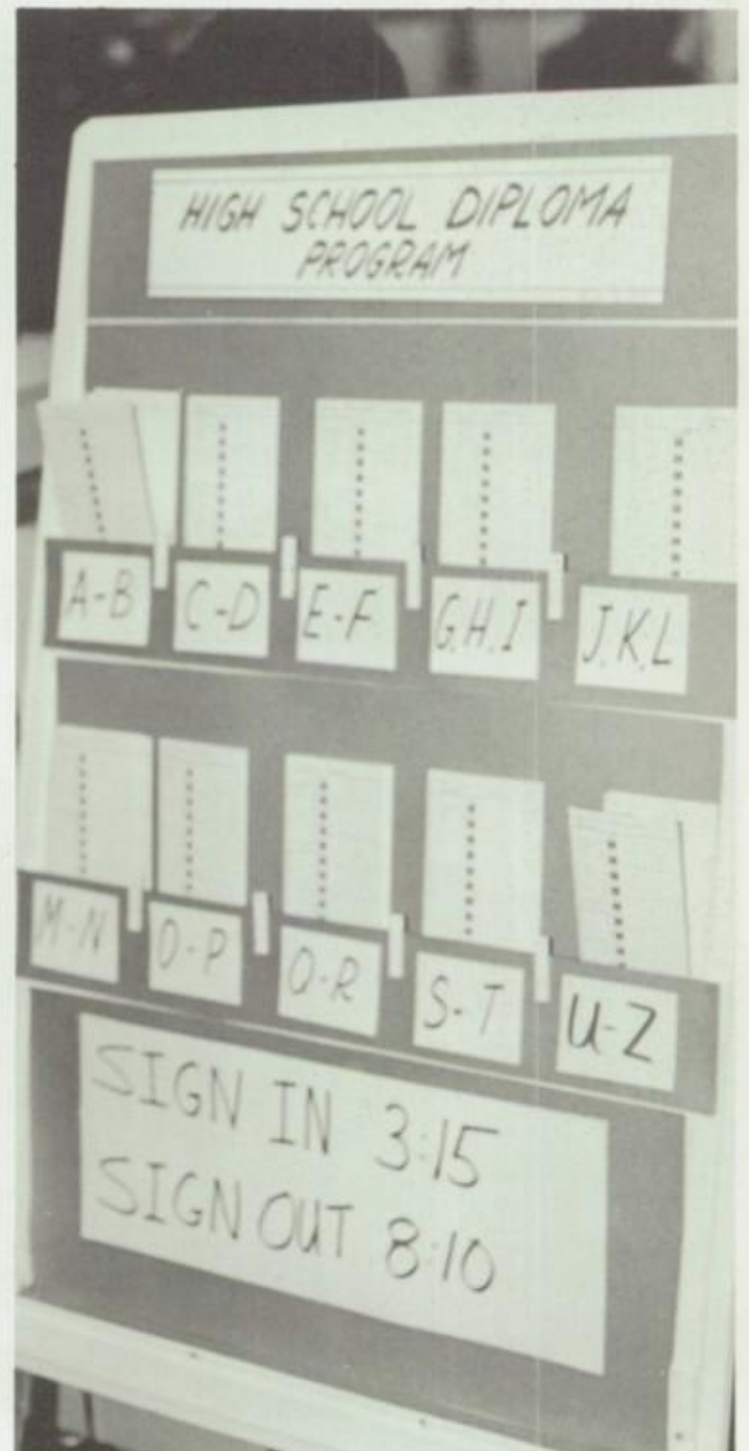

Mrs. Mamie Depew, Alumni Association secretary

Curriculum Extension

San Diego City Schools offers a variety of educational programs from which a student may select to earn a high school diploma. One of these educational alternatives is the High School Diploma Program (HSDP).

San Diego High is fortunate to have one of the most successful HSDP programs in the city. The program is designed for San Diego High students who are unable to attend regular day school and/or students who need additional credits.

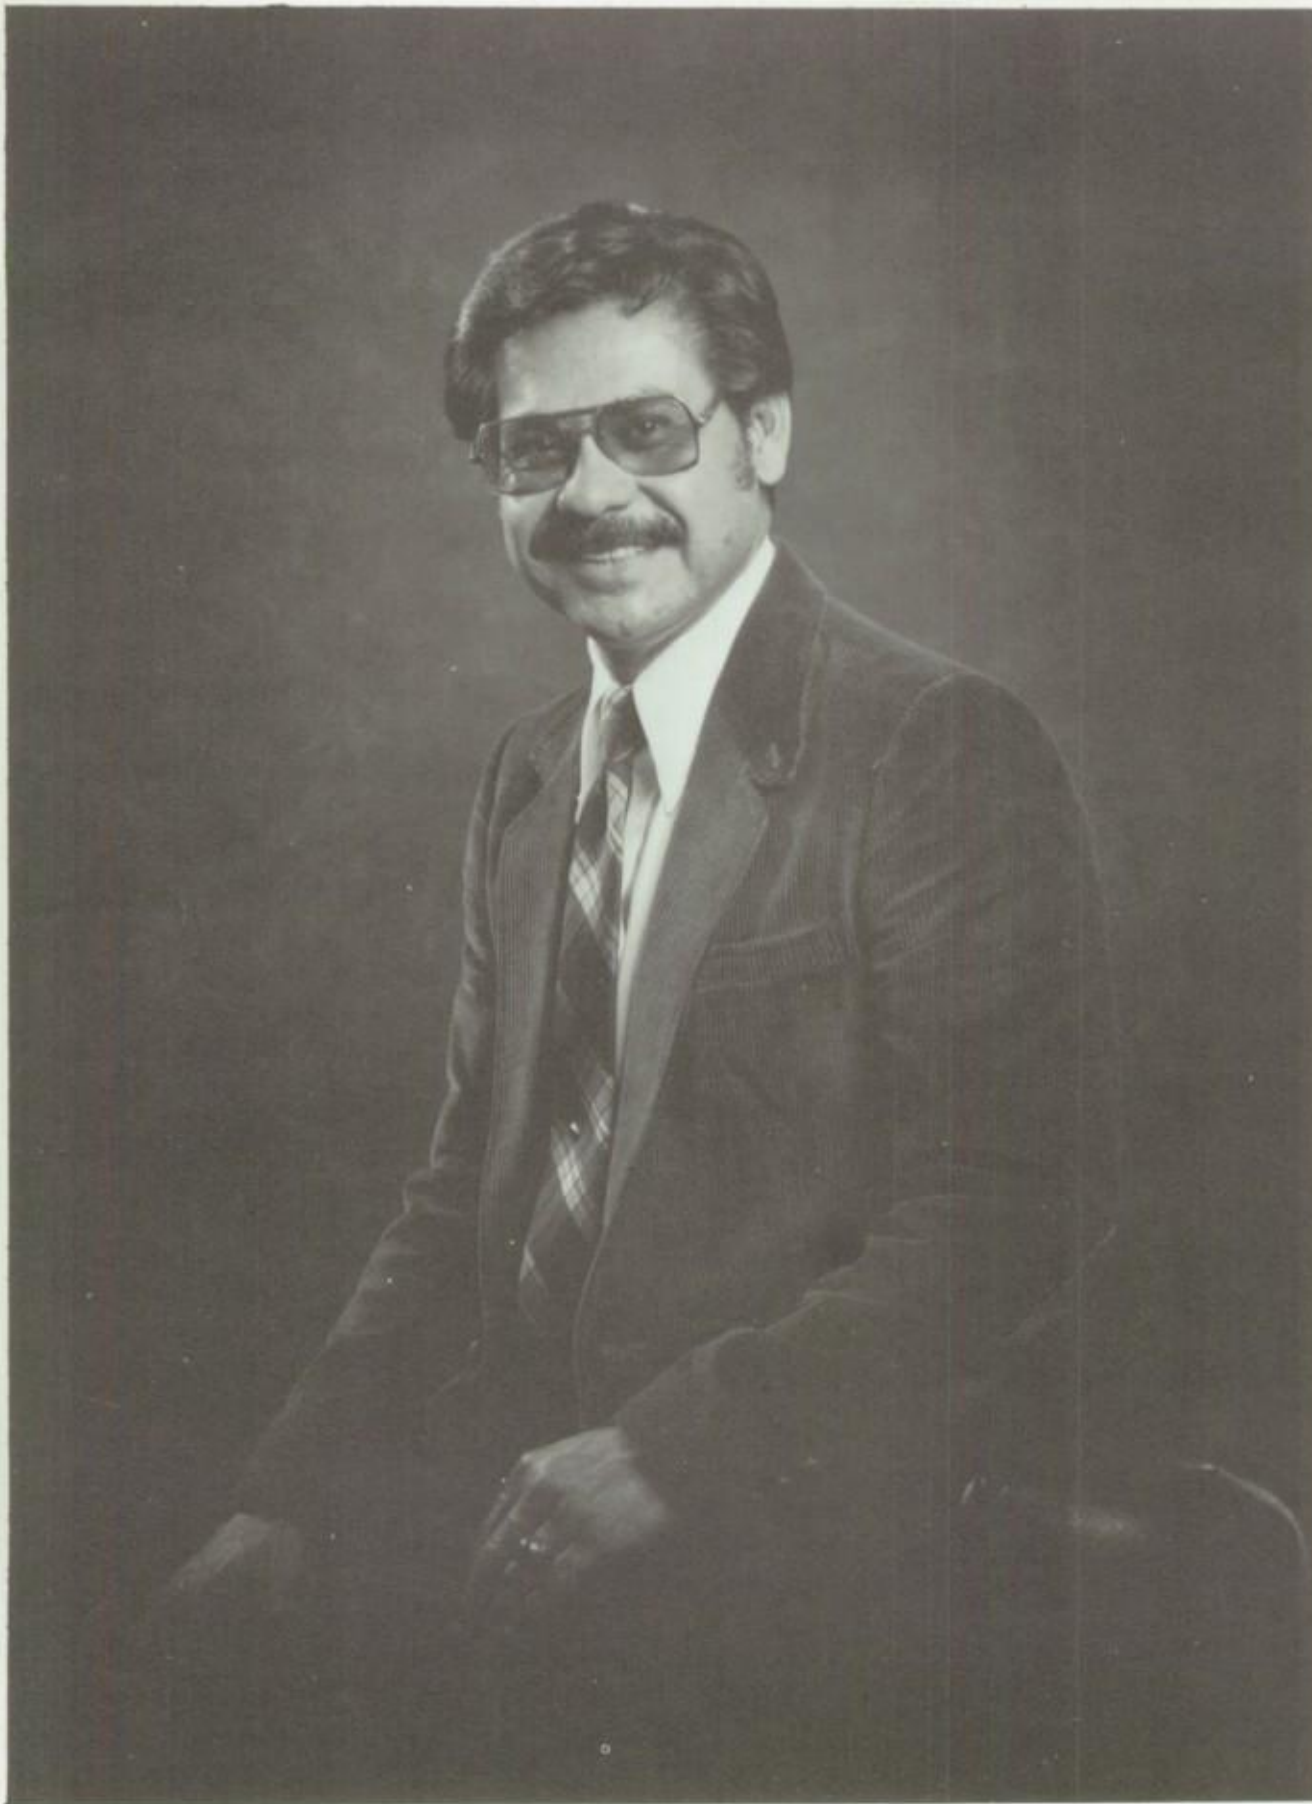

SDHS Administration

The history of San Diego High School is envied by the community, students and alumni. Rather than only looking at the 1981-82 school year as the 100th anniversary, we should equally see it as the beginning of the next 100 years of education. Our goal should be to continue to provide the leadership we have demonstrated in the past and carry on the same tradition of "gray castle" excellence.

A NEW BEGINNING

In the fall of 1981, SDHS welcomed a new principal, Dr. Robert Amparan. Dr. Amparan is well-liked by everyone at San Diego High. He genuinely supports the idea of Race/Human Relations among all students and teachers. He is a fine addition to our already excellent staff.

CSF, the California Scholarship Foundation, is one of the oldest student clubs in continuous existence at San Diego High. In 1921, San Diego High School joined 28 other schools around the state as charter members of the new federation. Membership was originally restricted to seniors, but is now open each semester to all students having at least 3 "A's" and a "B" in college preparatory subjects. At graduation, students who have been members for five semesters receive special recognition and their diplomas are stamped with gold seals.

Club activities each year include social activities, a trip to Disneyland, the annual Southern California CSF Student Conference, and participation in the San Diego High School Renaissance Faire.

One of the popular new classes at San Diego High is a night English class taught by Tom Burnett. The first semester is devoted to perusing various types of literature. The second semester is an introduction to Shakespeare, designed to survey twelve of the more popular plays. The class has a very relaxed atmosphere which tends to promote more open discussion and a deeper appreciation of the literature.

The band has had many trials and tribulations this year, but have finally reached the level of competence necessary to produce quality sounds. Their new uniforms were a real treat since they have been waiting for them for 2½ years. Band Director Orville Brown said, "They were supposed to arrive in September of 1979. The people they were measured to fit have long since gone." The uniforms are blue and white, and have the letters SDHS on the front. They certainly add a lot more sparkle to our band's performances.

The International Thespian Society is a drama club that spans the (old) globe. Thespians are those very adventurous people who dare to publicly do what others will not. Thespian "Hell Week" is the most noticeable aspect of our club. This is the time when initiates can often be seen carrying multitudes of books, kissing feet, and barking at passers-by. They also produce the annual "Thespian Melodrama", which is always a lot of fun because it is so corny. It traditionally feature a sweet, young maiden, a typical villain (complete with top hat and black moustache), and a good-hearted but not too bright hero.

This year we had a lot of fun with our initiates, The Phlegms, who finally made the ranks of the Thespians. They are: Chris Bajari, Mary Barker, Bill Battie, Lisa Benitez, Chris Clark, Kristen Fitz, Monica Guarnieri, Margot Hay, Jennifer Kuntz, and Lori Townsend. These people will be left behind to carry on the Thespian tradition, since most of the Thespians will be graduating this year.

This year's officers were: Katie Smalheer — President, Jim Knott — Vice President, and Sharon Fields — Secretary/Treasurer.

M*A*S*H

On two nights back in early December, 33 students here at San Diego High were in the auditorium showing off the final results of long hours of preparation and rehearsal in their production of M*A*S*H. These people made up the cast and crew of the play, assisted by Miss Betsy Wendt and Richard Duran (Director and Assistant Director): Mr. Dave Sogliuzzo, Technical Advisor and Mr. David Casey, who provided scenery for the production.

If you didn't catch one of the two performances on December 10th and 11th, you missed a good show. Although the cast make-up was slightly different from the popular T.V. show, the characters' madcap humor and comic dialogue were there, and the action was non-stop. The plot forms over a period of months during the Korean War, where an outfit of doctors, nurses and other camp personnel are making the best of their grim situation of patching up wounded soldiers near the front lines.

BADMINTON TEAM

The 1981 Badminton Team re-wrote the record books at San Diego High with their 12-1 season. They have established themselves as the San Diego High School Badminton Team with the best won/lost record in the history of this school.

The talent-loaded team displayed great skill, tenacity, and courage; and in the process won their league championship and earned themselves a CIF playoff position.

Chong Chi distinguished himself on an individual level by remaining undefeated in two years of league play in both boys singles and mixed doubles. In addition, he won the mens' singles and mixed doubles at the Serra Invitational Tournament and became the best male high school player in San Diego County with his mens singles win in the CIF Individual Tournament.

This team deserves the label as "one of the best ever."

This year's team was a good one. With the help of Guillermo Sevilla, Steve Bussell, Armando Ricca, and Marco Cortez the team placed in the top four again this year in the Western League Division.

Next year's team should prove to be a good one also. Even though they'll lose Guillermo Sevilla and Steve Bussell.

Returning will be lettermen Armando Ricca and Marco Cortez. With hard work and determination, next year's team will be just as good or better than last year's team.

Junior Varsity Basketball

The Basketball Team.

The Cavers Basketball Team has been outstanding this year. With second year coach, Dale Lanctot, the Cavers have improved 100 per-cent. Hard work on the court and in class gave the team momentum and the inspiration to win games.

The Cavers have a top-quality team, with players like the county leading scorer, Norman Baker, and a great center like Herman Webster, and Kelly Watkins as forwards. With this kind of team, the Cavers are sure to get a playoff berth.

Norman Baker, Herman Webster, and Kelly Watkins made a promise to each other when they were sophomores. The promise was to put San Diego High back on the map as far as basketball goes, which they certainly have done. The Cavers also have a great bunch of fans that always support their team to victory. Just remember this when you think of Cavers ... Basketball '82 Lanctot saves!!!

SOFTBALL TEAM

"Courageous" is the term to describe this year's softball team. We barely finished the season with nine players. The girls played very well their last two games.

Graduating seniors include Betty Kohl, who was excellent at center field and shortstop. No one could replace Sharon Kulani at first base. She was an asset to the team. Cookie Harris showed potential at catching and playing the outfield.

The team always had good team spirit, even when the chips were down.

There were many outstanding individual efforts. Some of these were: Fastest Pin-Omar Paloma 22 sec., Most Wins — Pat Shell 15, Most Pins — Juan Casillas 11.

The team's biggest wins were 51-16 over University and 34-32 over Mira Mesa.

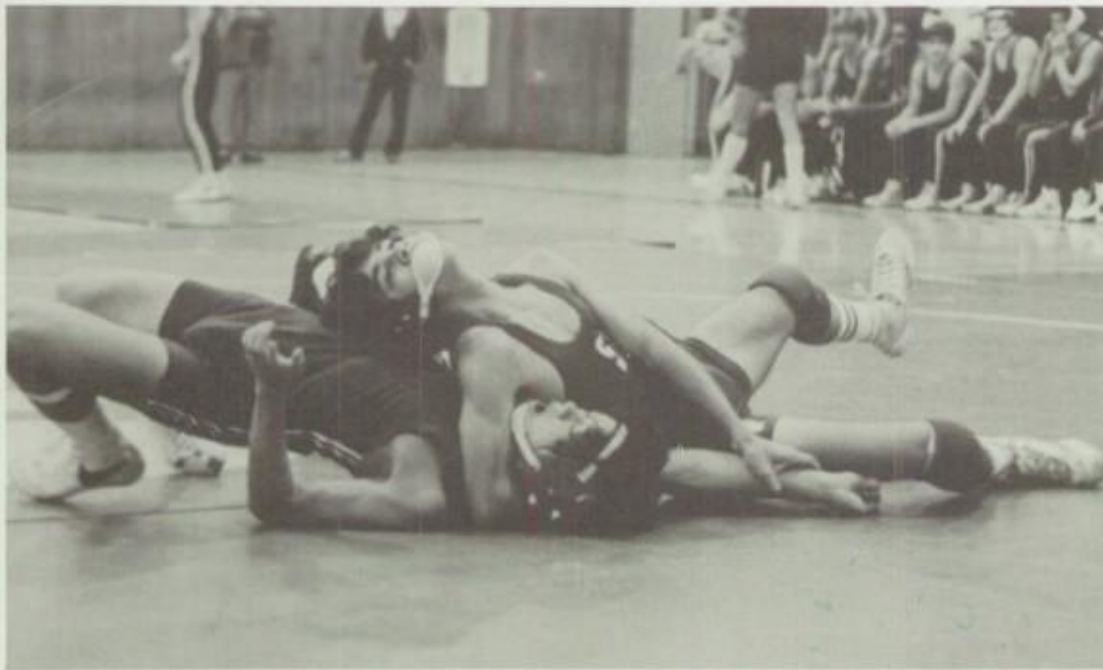

Next year's team promises to be even better. Only three members will be graduating, and there will be 22 returning lettermen.

Patience

"Things have a way of working out",
My father used to say,
"Don't force the issue, do your best,
and work and wait and pray".

"How many times those words return
When life's a tangled thread —
"Just do your best today, and
Leave to God the days ahead".

"Somewhere a master planner works,
Though how we may not know,
But in due time things will work out,
The years have proved it so".

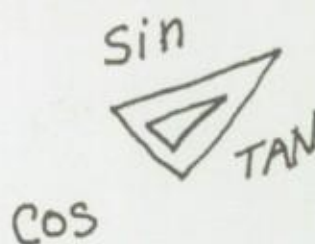

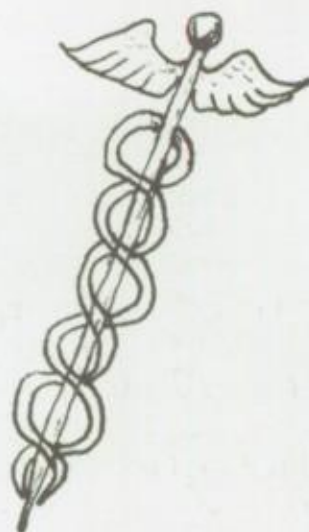

We can't play alone in the game of life. We're dependent, my friend, on others; we cannot "get by" in the struggle and strive, except for the help of our brothers! Whatever we plan, or whatever we do, whatever we give of our best, is meant to include all our fellow men too, and add to the joy of the rest.

San Diego High School recognizes the following students as representing the true spirit of Brotherhood by their actions, the work they do with and for others in the school and in the community, and for the positive, cheerful attitude which they inspire while working together for the betterment of themselves and those around them.

A Selected Few

$$F = \frac{M_1 M_2}{R^2}$$

In the future the halls of fame will hold but a few names of those who truly deserved the recognition of their peers for the good they did in their lives.

Who will be these few? How many from among our own peers will be chosen? How many of us will take the lead and direct our own destiny? How many of us will tire of maintaining the status quo and venture into the unknown to try new ideas, to discover new cures for man's illnesses, to improve society's wellbeing, to work more and do more than just what is expected of us, to dare to set a good example?

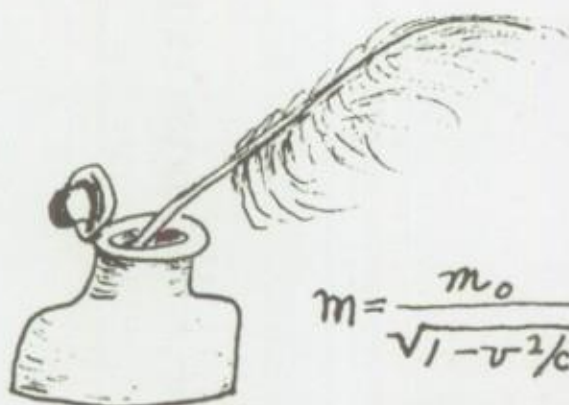

Who among us will be willing to push our physical strength and our mental capacities to the fullest in order to gain the most out of life?

Who among us will knock at the entrance to the halls of fame?

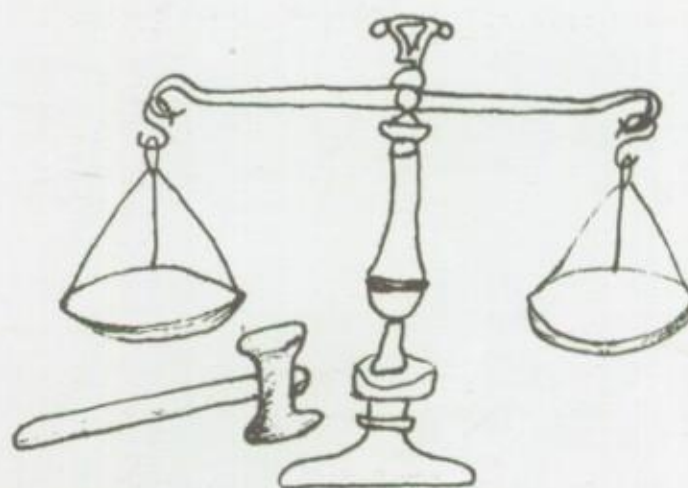

All that the future holds is within our grasp, if we will only make the effort to reach out.

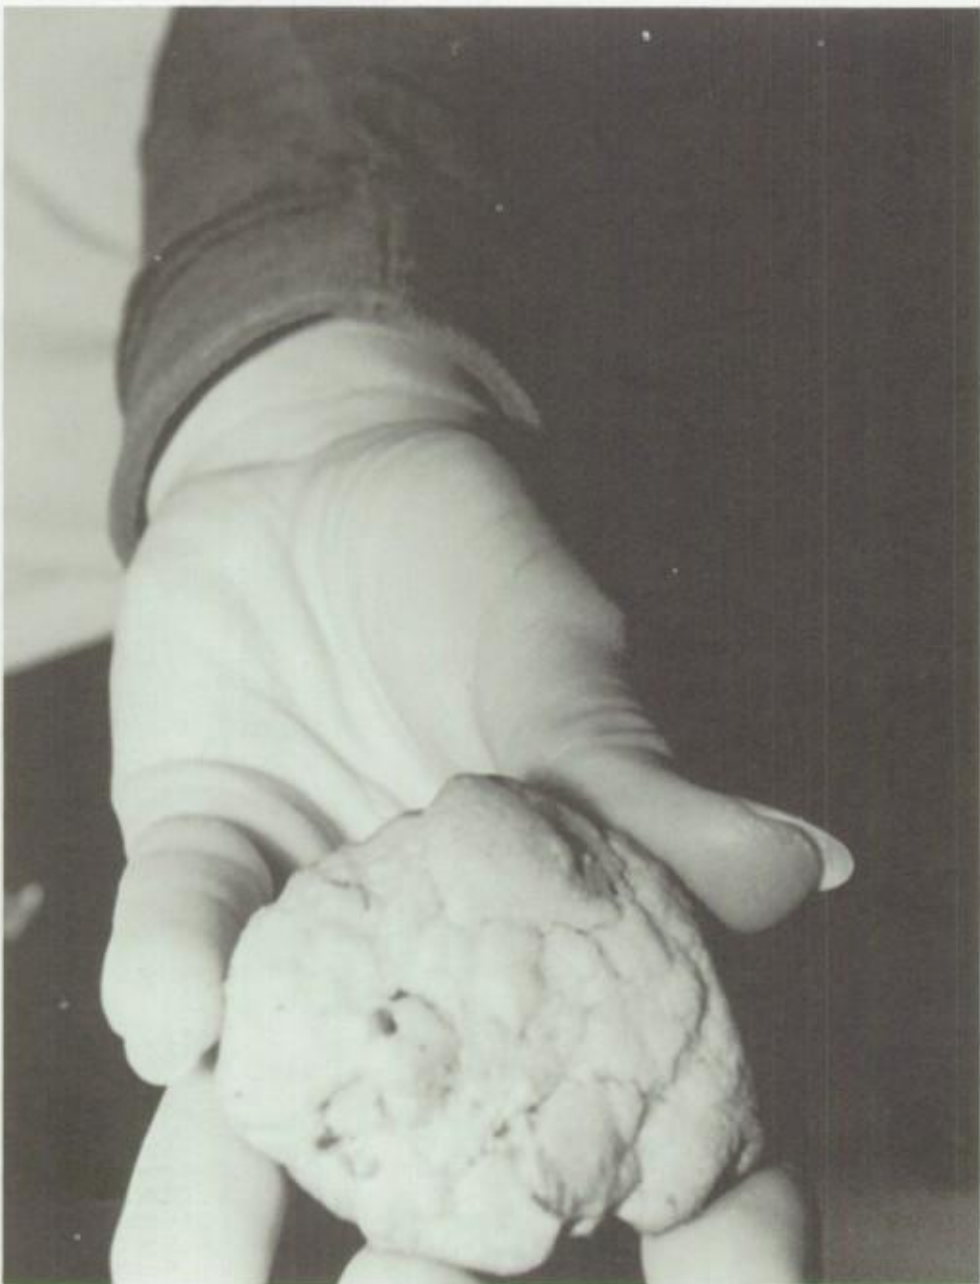

For no dream is too big, no goal is too high, no horizon is too far, no problem is too difficult which we, in our youth, cannot conquer, if not today, tomorrow.

Dear Kimi,

I'll always remember the fun we had in the Key Club; at the Convention and the potluck ceremony at Liz's house and at the Centennial Fair, and so on. We all had a great time at the Convention - remember staying outside in the hotel hall all night and ordering pizza with Diana and me? Who could forget I'm glad to see you're happy with your boyfriend. Keep up the spirit of Key Club - you'll all need it next year. You're a good leader and the Key Club needs you! Love,

Gail Dershem

Dear Kimi (Kiwi),

I had a fun time in algebra.

(while I sat next to you) I didn't have to study the first semester. Hope to see you next year

Class Of 1982

Senior Memories

JESSE T. ACERON — Cross Country 1, Wrestling 1-3 (Team Capt.) When I first came to the old Gray Castle in early September, I experienced many things I will always remember, the times that were fun and those that were rotten. The three years at San Diego High will never be forgotten. To the people that have been by dearest friends, good luck in life, until we meet again. Just remember the gold, the white and blue, and that we were the **BEST** class of 1982! Good Luck Seniors: Chris, Monique, Liz etc. Juniors: Kimi etc. And Sophomores: Joanie, Richie etc. "Burt" and I will miss you all.

SANDRA ADAMS — Known as "Sandy" will always remember memories of: Me and Dinky "going off" on Juan in Sr. Class, J.V. Homecoming, Big Party in boys' lockerroom, Chinese Firedrills with Hope, Cookie, Kim, Nedra, Felicia, Sharon, and Tangela all the way home from the game. All school dance at Mike's Place. K.M. and sister hid in the restroom at the all-school dance, so they wouldn't have to pay. Someone used a store box cake for the cake contest. Seeing Felicia W. and Sharon N. and the rest of the J.V. Cheerleaders crying after their first game. How F.W., S.N., and D.D., used to get "Stood up" on free lab day. Playing "Uno" in the library with Ann, Kim, Dinky, and Bam. Gloria and Karen tripping in Restaurant class. And all the other nice people and teachers especially Mr. Williams, one of the "Coolest" teachers at S.D.H.S.

NORMA JEAN AGUERO — Drill Team 81-82, Hafa Adai to all, meaning in Guamanian, "Hello, How are you." I'd like to thank my friends, relatives, and most of all, my wonderful parents for helping me through my twelve years of school. Special thanks to Mrs. Smith and the San Diego High Child Care Staff for making it possible for my son Eddie to be on school campus with me. And to all the people I know and who know me. In order to reach that particular goal, you must think positive of yourself for you will be happy and succeed. Good Luck!!

CATALINA ALCOCER — (Cathy) — Cross Country 3, Track 2, 3, Students In Action 1-3 (Pres.), Letterettes 3 (Sec.), Senior Class, C.S.F. 3. To the girls in Cross Country and Track: Hope you will remember all the good times we had. Although I'll be leaving, I'll come back and watch you agonize while running. Also, I'd like to say good-bye to Mr. Stout and Ed, who stuck by us, through thick and thin. Also I'd like to thank Melody who encouraged me to stick with it.

BLANCA ALVAREZ — Project Choice Club, Club Latinos. I'd like to tell all my friends that I enjoyed taking pictures of all the guys in school. I'll remember the

good times we shared together when we were ditching. Doy gracias a mi madre por haberme ayudado y apoyarme en mis estudios en High School. Good luck to all of my friends and best wishes to: Elena L., Lidia S., Sonia V., Domi O., Eva D., Candy C., Dora, Susana G., Lilia S., Malena R., Corina, Maria F., Gladis C., Juliata R., Oscar V., Alejandro L., Jaime M., Jaime C., Adrian R., Cesar G., Jose G., Alby, Ruth M., Alma O., Maria A., Silvester Z., Laura A., Leticia V., Mr. Weiss, Ms. Whited, Mrs. Trimble, Mr. Rigdon, and all of my friends in 10th and 11th grade.

JOSE ANDERSON — Badminton Team — #10 boys singles 81 — Tennis Team — 3rd boys doubles "80-82" — Marketing Club Treasurer "80-81". Cheers: To all the good times I had at S.D.H. "79-82". Thanks to my good friends: Rey, Mel, Alva, Noel, Jose and Gabriel, and to all my teachers. Friends at the San Diego Zoo: Paula, Yvonne, Delores, Babs, Donna and Gilbert, Gloria and Elaine and those I forgot. Mom and Dad, Jr., Lisa, Olivia, C.J., and the rest, especially Martin and Eleanor 79-? Good-Bye San Diego High — Hello S.U.

ANGELINA AVILA — Softball 2, Senior Cabinet, Mecha 1, 2, 3. Homer, remember all the good times, all 19 of them. Only I can think of 8. No regrets only adventures. Be cool I don't need the \$50 yet. Should I tell you to be good ... for your mom. Party and think of all the HIGH times we had. Rubencito, my best friend that I could trust. Let's not ruin it, maybe make it better someday. Take care of the car. Let's **PARTY** Hardy. Life's too short Baby. Kelly Watkins, remember the summer of '81. '82 is the best!

EVA AYALA — V. Cheerleader, Jr. Class Pres., CSF Vice Pres. and Sec., Girls Drill Team 1, 2, 3, ROTC 1, 2, 3, Odyssey 1, Mecha 1, Project Step 1, 2, ESSA 1. "Class of '82" I love you SDHS with all the great times and funny ones too. For the jokes and the parties and all the hard work ... My memories will carry moments of thoughts, indulgence, and fun. Hey Duda, Rosa, and Eileen if you add them all together you're bound to succeed. I thank all the soccer players for their support. I wish all the luck in the world to a crazy and lovable bunch of cheerleaders. Thanks Mr. Rah-Rah. My last memory goes to my one and only high school love. You made my senior year the sweetest. I love you Arturo Ortiz ...

KEVIN BACH — It is for such a momentous occasion as this that I have concocted a brief lyric which goes something like this: Embarking on our separate ways, the memories, misapplica-

tions of quotient rule, and perspiration, we have shared, along the road through the somehow timeless reality of the Cosmos, inherit a certain mystical quality, not unlike margarine oozing over hot instant breakfast cereal. Ooooooh, reckless, splendiferous youth ... Amidst the insecurity of this parting lies a sort of confidence, stemming from a certain infinitesimal creativity within. Yet the Bohemian Dairy Farms remain indifferent. Thanks to Kate, Ken, Jen and Relic, Gang of Four, SDHS Sacrificial tennis, the K.R., and wheat thin scandal.

YVONNE BAKER — **WHAT IS TODAY** Today is the time for living, the past will never return. The future withholds its giving, to weigh how we now live and learn. As yesterday once was a dream and tomorrow is yet but a vision. The Seniors of Nineteen Eighty-Two will march on into the horizon, leaving the students of San Diego High, the pride to thrive on.

GRICELDA BENAVIDES — To my friends; Ana, Lety, Cookie, Priscilla, Chela, Mary Lou and Alicia. Well it seems like we finally made it, after all those years of hard studying, and worrying about passing our classes. But at the same time we would have our fun. As for me, I will always cherish all the good and bad times we've had together. But most of all, I will always remember how close we have become throughout the years. At times we would be laughing or crying; we even fought with each other, but we were always together no matter what. Thank you my friends for standing by me when I needed you. I will miss each and every one of you! Ana — remember all the fun we used to have on Thursdays. Lety and Priscilla — remember that 29th in the month of January. Cookie — remember our little (AA) club. Chela and MaryLou — take care, and don't let anyone ever get you down. Alicia — remember the way we used to argue, but we would always end up talking.

ROHIT BHAKTA — In this school I found my friend, Why? I don't know, but it came to an end. Now I leave you truly friend, and I hope, to see you again.

NICK BLEA — French 1, Smeggy 1-2. I will remember the fun times I had these past three years w/Heather, Dino, Jessica. Punk dances at Mission Bay. 20/20 concerts, Bert's Restaurant, Guyana, "But it doesn't mean anything", the Brian Conspiracy, Hillary's parties, Yeah, visiting the snow, love is a rose, I hate time. Hillary's sunglasses, "Have you talked to Nat?" Sherrie and Disneyland.

MARIA (CHIKUITITA) CALDERON — Club Latinos, Project Choice, Journalism Club, Soccer Benchwarmers, Volleyball

DEBORA CORTEZ — Mecha Club; I would like to thank Mr. Miller and RSP people for making my 2 years the best. I would like to wish a lot of luck to Blanca Macias and Bertha Diaz. I had fun being with them. I remember all the bad things we used to do. Take care, OK? P.S. I would like to say thanks to Mr. Saracino for the award he gave me in the 11th grade. Good luck to all my friends and teachers.

NEDRA COX — I will remember the good times I had at San Diego High. When we, the Cheerleaders, didn't have a ride back from Montgomery High we had to ride the trolley. The trolley stopped and the lights went and F. Webb was screaming. The time when S. Neville fell turning a cartwheel and slid at that! The time when Wes P. went to El Centro and K.P. came in our room and we! The time N.G., T.R., C.R., C.W., S.A., K.H., S.N., F.W., M.K. and all of the JV Football team had a party after winning their Homecoming game. LETY GONZALEZ — "1982" was my best year here at Diego. I just wanted to leave these few lines to say ... Good luck to my sister Maricela, and my cousin Irma H. And I would like to leave my locker to Irma and the place where we always use to hang-out during lunch time. And I would like to leave my seat to Eva L. in Art. Good luck to all Seniors of '83. Don't forget all the times going out and hanging out together. Hey M.H. and C.H. don't pay attention if people talk ... about you, cause you know it isn't true so don't worry. SOCORRO GONZALEZ — It's time to say good-bye to the good times but not to your friends. My memory is dedicated to: Debbie M.: Ya no seas corajuda. Yo-

From A Classy Class

landa M.: Wish you the best. Karla: Ms. Racquetball player. Julieta: Hope we'll always be good friends. Good luck to all and I hope to see you soon. Class of '82!

JAMES GROSS — Liking Shakespeare but not always math, Faulkner but not driver's training. French fries before a badminton match with Irwin. Cramming for a calculus final with friends. Disagreeing loudly with Icardo. A mini-con and friend to make a part of school life. Crushes. Doing too many things at once. Lauer's long and patient counsel. Enjoying and sleeping through Burnett's films; talking too much in his seminars. Feeling dumb at math contests. Existentialism. People. Friends and friends, who know who they are. Only very slowly knowing people. Studying history ... not human relations ... Gang of Four. My dirty yellow moped. Lonely. Fun. Depressed. French with dear Madame Alter. And so much growing up.

SOCORRO GUZMAN — To: The class of 1982 and all of my friends; Estella R., Debbie M., Rosie R., Lilly, Anna F., Carmen F., Raul R., Juan P., Gricela B., ... "Looks like we made it!"

MONIQUE HARASZKO — Senior memories: Hmmm ... Hey Burnett — you're a really intelligent being, for one born of an armpit. Nevertheless, you opened up my mind and it was a little scary. Then Icardo took over. Oh wise guru of my young years! You should wear shorts and cowboy boots more often. I can't forget Mr. Banta. I wish you an open mind, Mr. Banta. I hope many students have the "Honor" of being in any of your classes. To that group I spent my school life with — I guess I'm going to miss the security of being around such incredible people. CO. 82!

KIMBERLY HARRIS — I will always remember when the Varsity Football Team and Cheerleaders spent a night in El Centro, where we made our first league win, and most of all, the big "VICTORY KISS" I got from my favorite player. I will never forget C. Palmer, K. LeBlanc, J. Redding, F. Webb, R. Anderson, S. Neville, T.K. Lewis, S. Adams, and T. Ray because each of you will always hold a special part of my high school memories. I love you AC.

TRACEY HARRIS — Hey Cathy S. Remember all of those exercises you didn't do in aerobics class! Well, Tammy M. there were only two exciting things that

happened at CAP and you missed Oscar. Well, Melody H. the year might have gone easier if we didn't do any work since the ones who didn't work got all the best grades. Hey, Tandy F. remember the only fun we had in CAP was when we watched **You Pack Your Own Chute**. Ha Ha. We all found out a little about you that day. Cathy, don't walk so slow. I hope that for the rest of your life you don't only go where your feet take you. Sharon K. I heard that the gift you got at the Christmas Party is all over your bedroom wall. Antoinette L. I didn't forget you but when me and Tammy were stranded you had all of your lights out. RMA. PS — Paulino B. stay out of the dirty book stores.

MELODY HERBERT — I've really enjoyed these past 3 years here at Diego. Besides all the homework and tests (which I eventually got used to) I had a lot of fun. Some of my favorite activities included Cross Country and Track, in which I had a great time thanks to a terrific coach and friend Mr. Stout. To all my friends, we had a good time laughing, goofing around and listening to Juan screaming obscenities at Mrs. Donahue. Too bad time has gone by so fast that we all have to leave. But I'm sure I'll see some of you at State. To Sister Martha — Too bad you have one more year left, but make the best of it. To Brother Jon — Try, Please try and get a diploma! To Tandy — Invite me to the wedding in 7 years! And to Uncle Jack, thanx for making Gov. fun! The best of luck to everybody.

SHARON HICKS — My senior year was the best ever. I was a Varsity Cheerleader, Homecoming Attendant, and most school spirit. I had a lot of fun. The Basketball games were great. The Football games were okay. The dances were fun. I will never be able to forget all of my friends, my sister Tuatia who was coming to the Gray Castle as I was leaving. The faculty who was so nice and caring. I will never forget when I was thrown into the pond when I was a sophomore. Ms. Todd's chemistry class, or Mr. Lauer. It has been a lot of fun and I will hate to leave. Of course I have had my bad times here too, but the good times outweigh the bad ones. I will see all you Seniors at the 10 year reunion in 1992. (Smile)

IRWIN HOM — Badminton 1, 2, Tennis 1, 2, 3, Coach Moore and our winning Badminton Team, and Coach Hembera and the ... uh, tennis team, the films in Burnett's class, Digital Decwriters, Apples, my computer account(s), D217 (700 records, count 'em 700!!!), SYSCOM, all the calculus (HA HA), and the friends I made in my three years of high school. I would like to wish all the seniors good luck. Confidential to Denise V., quit

eating frosted corn flakes, switch to Raisin Bran. And Jackie Q., get rid of your 5 lb. carrots, they're disgusting.

LISA HUBBARD — The RUSS 1, Key Club 1, 2, Lt. Governor 3, Odyssey Club 3. Remember Key Club Conventions! Anaheim (Aloha) San Diego, San Jose, New Orleans (Popeye's Chicken) ... Irwin, you must get tired of those triple-decker peanut butter and jelly sandwiches ... James, continue practicing your piano, someday you'll improve ... Dino, yes you may have a gummy bear (but chew quietly) ... Terri, be discreet when choosing who to kiss, don't want to miss calculus again ... Katie, No I don't want to go to LRY (I'm going to miss being introduced to your shoes in history) ... Kevin, did you do your history? What did you get for #3 on the math homework? ... Jackie, I won't call collect; try to compromise with M.Q., J.Q., T.Q., and G.Q., Nicholas and Alexandra, No corn nuts! Miss Quin ... Never forget: Lunchtime on the lawn, calculus studying parties, Dr. Kosiba, rather and quite, days of depression, sign language (WOW!) ... pita sandwiches ... copying history definitions ... CAP (Ahmanson) ... getting a B in English ... Laughing with Mrs. Holley ... and fun times complaining about \$0 much homework!

ANGEL HUESO — This year was my best, because it was my last, but I enjoyed all three years at SDHS. So many people I am not going to see and so many teachers I don't want to see but so many friends I am going to miss and also so many I would not kiss! So many names I want to mention, one or two I need not say. Mr. San Diego High School 3, Team Captain for Wrestling 2, 3. Varsity Wrestling 1, 2, 3. Varsity Track 1, 2, 3, Varsity Football 2, 3 (never forget El Centro). ASB 1, Russ Staff 2, 3, parties 1, 2, 3. Friends made this a memorable year, not Race Human Relations. Every person I ever saw at SDHS will probably forget Mr. Angel Hueso, but I won't forget my memories at SDHS. PS — good bye everyone I ever knew ... you, too, coaches who've seen me suffer over the years.

CHRIS JACKSON — (Schlacky Brabby #3); Golf 1-3, Wrestling 1, 2, JV Football 2, CIF Golf Tournament 1-3. Greek Sex God 1-3. Remember: All the girls P. Doub, P. Doubed. All the G.R.'s Rex's room. CATHY SEASTRONG — To Sheena — Don't turn into a Horror Book. To Tammy — If you weren't so C-O-O-L you'd catch your "5". To Antoinette — Please hurry up and get your new eyes. To Tracey — If you want people to hear you then you have to "speak up" To Sharon — Don't worry, Todd doesn't know what she's talking about anyway.

ROJELIO (ROGER) SIFUENTES — Contributing writer to the RUSS 1, RUSS 2 & 3. Though my best memories occurred during my junior year (I.E. Mr. Brown's quaint 210 watt amp, better known as "H.B." Sorry about the damage to your room and amp, including your ears.) Both JEA Conventions, especially the one at the Disneyland Hotel, and many other events which limited space won't permit me to mention. I had a good time in my Senior year and would like to thank all my friends for the memories past and present.

KATIE SMALHEER — Thespians 1, 2; Pres. 3 ... initiations ... zygotes ... be creative ... drama productions: Beline, Mrs. K., Tender, **Major** Houlihan ... Dino's Halloween bash, Calculus party, pizza, dieting, zits, THE lunch group, badminton, homework, F.W. the powerhouse, the Reasonable man, carrots, piano, gummy bears and

lots of good movies. Most of all, friends (silver and gold). "Wait, one more minute!"

MARLA SNYDER — 1982 was my best year. I had a lot of good times in this school. I met a lot of people that turned out to be good friends. I would like to thank my boyfriend, a very special person that means a lot to me, "**Jesus Martinez**", for making the 12th grade the best. Thank you, Lalo, and remember "**I love you.**" PS — Good luck to all my friends. Hope the best for all your futures. Take care.

GLEN SPITZER — Football, 2 years; Baseball, 2 years; Band, 3 years; Chorus, 3 years; Photo Club, 1 year; Junior Achievement, 1 year.

LOAN STREETER — Drill Team. I would like to thank all my teachers at S.D.H.S. who helped me with my education. I couldn't have done it without their help. A special thanks to my parenting teacher, Mrs. Smith, who is like a Mother to me. She's a wonderful person. She cared for my son, Michael, while I was in school. I couldn't have done it without her and the parenting staff. I have two special people who I love with all my heart. My boyfriend, Robert Shuford and my baby, Michael. Those are the only two I like to keep in mind and spend time with. Good luck to all my friends.

ESMERALDA TAPIA — Things that I participated in: Drill Team, Volleyball, and Club Latinos. I'm leaving my grades to my sister Margarita and my cousins Isabel and Lorena. To Beatriz Galvan: I wish you good luck in your future. Lourdes: Good luck on her wedding. Hope you get all your dreams to come true. To Alicia Cardenas, stop flirting with you-know-who. And to all Seniors, I wish you the best luck on your future. Your friend that will remember you guys.

HEATHER TUTTLE — This message I'm putting in the yearbook is really dedicated to my 3 best friends: Natalie Upson, Dino Kostas, and Dominic Blea. Without you guys I wouldn't have had such a good time through school. I remember weekends going dancing, and just driving around in **Betsy**. Or Natalie and I seeing "The Cars" in concert. Or Nic, Dino, and I spending the night at the stadium parking lot to wait to see "The Rolling Stones" in concert. I could write for hours and still couldn't get it all down. I'm just glad we all made it through these ups and downs of high school. They're great memories I'll never forget!

Annette Rieger, I wish you could have graduated with us and I know you're going to be a Great Teacher!! To Nicholas Perez, I Love You Forever!

MARY WARD — Choir President, 2 years; #1 Senior Nut, Class of "82." I will remember: "LaRondalla," court 10 action, all the "football game after-parties," "my Crazy Nut Friends," "the G.H. KELLO "BO" WATKINS — First I would like to say Good Luck to all the graduating Seniors, and may God Bless you all. To you, Daddy-O's, stay cool and continue in school. To Rachel Entzminger, I will miss you after June, keep in touch. And thanks for all the good times we had. I

Good luck to my Schlacky Brabbys G.R., R.R., J.S., C.J., and Milunky. And a special thank you to my Coaches, Coach Hembera, Lanctot, Pedigo, and Coach Murphy, Miller. Mick, don't ever forget the Stones concert, El Centro Football Game. G.R. after P. Doubling it on CVD I'll never P. Doub it again. Remember Schlackys, The Tresles Chicken will strick again.

DEBORAH WILSON — To the person I care for most in this world, Art Castro, you are the kindest, sweetest and most loving boyfriend I will ever have. "**I Love You.**" To all of my good new friends I met this year, especially Corina and JoAnn. To my dear friend Shelley, I hope you and Tim remember Art and I when we have our baby. Many happy wishes to you and Tim, from Art and I. To a friend that used to be very dear to me, I wish you didn't dislike me so now. It's your fault, you let it happen. I still remember all those good times and crazy things we did. I will never forget. Love always.

FRANCINE WORKS — Fun and exciting times as Junior Class Secretary. I'll never forget the Junior Prom that almost was. Kissing a lot of _____ during Heck (you know what I mean) week. Then finally becoming a Thespian. Winning a Willy for Best Actress in a minor role in "You Can't Take It With You," and crying as David Braun presented it. Having the pleasure of initiating little Neophytes and Phlegms and watching them suffer as I did. Ditching for the Stones Concert which was a blast! And last but not least falling in love with Mike.

MARIA E. YBARRA — Junior Class Vice President 2; JV Rifle Team 2; Varsity Rifle Team 3; ROTC Drill Team 2. "Get em Shell!"

STAFFERS DO IT FOR THE 100th YEAR!

Working on the yearbook has been a trying, challenging and rewarding experience. One of our best memories will be how positive and supportive the students and staff were. The 100th anniversary annual is a good example of this year's school spirit.

Well, Madame True,

French was quite an experience, wouldn't you say? I had so much fun in that class doing those très difficile pièces. (I don't think that's correct but you get my drift). Madame Toma was great! She could get so pissed-off about the slightest things but I did learn a lot of French from her. Too bad we didn't have any other classes together (or maybe it wasn't too bad because we would of talked to each other all the time).

A while ago it didn't seem possible to me to actually have a good time at school but I'm really looking forward to next year. You taking French? (next yr.) I don't think I signed up for it but chances are I'll probably get into

it because I like it so much. Maybe I'll run track next year. I've been thinking about it but I have a job now which I'll probably have next school year so track may not be possible. But it sure would be a hell of a lot of fun being on track together!
